## Construction Firm Scope of Work

- Provide services to disconnect the 22 MVA from the HV and LV side of the bus, disconnect the control cables from the control cabinet, disconnect transformer grounds, drain oil, and fully undress in preparation for the unit to be ready for shipment.
- Provide services to undress the 22 MVA unit and prepare it for transport to the Red Rock Service Center.
- Provide service to dress out, fill with oil, and prepare for storage in the Red Rock Service Center.
- Provide services for the removal of the old transformer pad (including hauling off spoils) and to install a new transformer pad (9 inch reveal) with moat (BBEC specification FTG012).
- Provide services to undress and drain oil from the Howard 56 MVA at the Bastrop Service Center and transport oil to the Bluebonnet Substation.
- Provide services to connect the high side, low side and R&C cables on one 56 MVA transformer. Install high and low side bushings, radiators, arrestors, grounds, vacuum fill, and attach all jumpers and conductor coverings. (Full Dress Out)
- Provide services to reuse R&C cables from protection panel back to transformer or to replace if new units cabinet orientation does not allow the old cables to be used.
- Provide services to terminate at both ends of all control cabling.
- Provide services to test and commission new 56 MVA PWT (SFRA, Power Factor, DGA, Alarm checkout, ETC...) Refer to NETA ATS standards.
- Provide services to backfill and compact all excavation areas and restore insulating gravel to final grade.
- Provide services to upgrade the total bay hook stick switches (2000A), strain bus and rigid conductors with 2 ½" bus pipe and 1590 ACSR conductor.
- Provide services to remove the main disconnect switch located on the top of the A-frame and install a new 2000A gang-operated switch (with interrupters) on the T-2 low side structure.
- Provide services to upgrade three (3) breakers and all hook switches associated with three (3) feeder bays. (Note: One of these bays that need upgraded will be on the T1 low side A-frame)
- Mark-up all prints with red lines for as-built purposes and present to BBEC upon project completion. (90 day deadline after completion of construction)
- Provide engineering services to reuse existing transformer panel and relays.
- Remove two (2) feeder panels and install one (1) dual feeder panel.
- Provide engineering services to upgrade buss/transformer tie bays to be compatible with a 56 MVA power transformer. (This will need to be completed before or after the T2

transformer has been changed out)

## **BBEC SCOPE OF WORK**

- Provide the R&C, Electrical and Structural drawings for the substation.
- Provide all necessary drawings requested by engineering firm that is awarded the project; within reason that is applicable to the project scope.
- Allow reasonable access to the substation for the firm to perform services as requested.
- Initiate pre-design and progress meetings with the firm that is awarded the project.
- Submit red-line markup of prints after construction for the engineering firm to perform as-built requirements.

GENERAL INSTRUCTIONS FOR  
BIDDING TO BLUEBONNET ELECTRIC COOPERATIVE  
  
**REQUEST FOR BIDS-TERMS AND CONDITIONS**

**Instructions**

The following instructions apply to all bids and become a part of the terms and conditions of any bid submitted, unless bidder takes exception in writing when submitting bid.

**Form**

Bid must be submitted on this form only, in single copy, unless otherwise stated.

**BIDDER MUST RETURN THE ENTIRE ORIGINAL BID DOCUMENT WITH BID.**

**Bid Return**

Bid must be received, and to ensure proper recognition upon arrival, list the Bidding Company Name, Address and Bid Number on the outside of your envelope.

**Authorized Signature**

Bids must show full firm name and mailing address of bidder and be manually signed by an authorized sales or quotation representative of the bidder. Firm name and authorized signature should appear on each page of bid where spaces are provided. Submission of a signed bid will be interpreted to mean that bidder has hereby agreed to all terms and conditions set forth in all of the sheets which make up this invitation.

**Late Bids**

Bids must be received at the location indicated in the bidding documents and received prior to the time indicated on this form. Late bids will not be opened and will be returned to the bidder upon written request.

**Withdrawal-Alteration of Bids**

Bids cannot be altered after receiving time or opening time. No bid may be withdrawn after opening time without acceptable reason in writing and with the approval of Bluebonnet Electric Cooperative.

**Firm Prices**

Bid prices must be firm for a minimum of 90 days from the date of bid opening.

## **Best Value**

All bidders are hereby notified that Bluebonnet Electric Cooperative shall consider all factors it believes to be relevant in selecting the offer that provides the best value, including, but not limited to, the purchase price, the proximity of the bidder as it relates to his ability to perform the contract for Bluebonnet Electric, the delivery date, the reputation of the bidder and the bidder's goods or services, the quality of the bidder's goods or services, and the bidder's past performance under contracts with Bluebonnet Electric.

## **Right to Reject Bids**

Bluebonnet Electric Cooperative reserves the right to accept or reject any or all bids, to waive any informalities and technicalities, to accept the offer considered most advantageous in order to obtain the best value for Bluebonnet Electric Cooperative. Causes for rejection of a bid may include, but shall not be limited to, the bidder's current inability to satisfactorily perform the work or service, or the bidder's previous failure to properly and timely perform its obligations under a contract with Bluebonnet Electric Cooperative. Bidders may be disqualified and rejection of proposals may be recommended for any (but not limited to) of the following causes: 1) Failure to use the proposal form furnished by Bluebonnet Electric Cooperative; 2) Lack of signature by an authorized representative on the proposal form; 3) Failure to properly complete the proposal; 4) Evidence of collusion among bidders; or 5) Unauthorized alteration of bid form. Bluebonnet Electric Cooperative reserves the right to waive any minor informality or irregularity.

## **No Bids**

If bidder is unable to quote, the bid form should be returned to the purchasing agent before opening time, and reason given for not bidding if bidder desires to bid on future purchases.

## **Award of Contract**

The bid award may be based on, but not necessarily limited to, the following factors:

- a. The purchase price, including payment discount terms;
- b. The reputation of the bidder and of the bidder's goods or services;
- c. The quality of the bidder's goods or services;
- d. The extent to which the goods or services meet Bluebonnet Electric's needs;
- e. The bidder's past relationship with Bluebonnet;
- f. The total long-term cost to Bluebonnet Electric to acquire the bidder's goods or services;  
and
- g. Any relevant criteria specifically listed in this request for bid.

Bluebonnet Electric prefers to award the entire contract to a single Contractor; although, Bluebonnet Electric reserves the right to award multiple contracts to secure the best value for Bluebonnet Electric.

## **Payment of Invoices**

Invoices must be scanned and submitted by the successful bidder to Brian Mitschke, Superintendent of Technical Services, [brian.mitschke@bluebonnet.coop](mailto:brian.mitschke@bluebonnet.coop).

1. The determination of quantities of work acceptably completed under the terms of the contract, or as directed by the Bluebonnet Electric in writing, will be made by the inspector or subcontractor assigned by Bluebonnet Electric.
2. The payment of any current or partial estimate prior to final acceptance of the work by the Owner shall in no way constitute an acknowledgment of the acceptance of the work, nor in any way prejudice or affect the obligation of the Contractor to repair, correct, or replace, at his own expense, any defects, imperfections, or damages resulting from defects or imperfections in the construction. The Project Manager shall be the sole judge of such defects, imperfections, or damage.

Any item of work not covered in the proposal will not be paid for directly, but shall be considered as subsidiary to a regular bid item.

### 3. Retainage

As security for the faithful and satisfactory completion of the work by the Contractor, Bluebonnet Electric Cooperative may retain up to 5 percent of the total dollar amount of work completed on all contracts until acceptance by Bluebonnet Electric Cooperative.

### 4. Final Acceptance

After Contractor has completed the Work, Contractor shall notify Bluebonnet and request a final inspection of the Work or a sample thereof. Bluebonnet shall inspect or cause to be inspected all or a portion of the Work, and prepare and deliver to Contractor an itemized list of all Work, if any, which is found to be unacceptable.

### 5. Final Payment

Whenever the improvements provided for by the contract shall have been completely performed on the part of the Contractor as evidenced by the inspector, the contractor will provide a final invoice. All prior estimates upon which payments have been made are subject to necessary corrections or revisions in the final payment. The amount of this final invoice less any sums previously paid under the provisions of the contract, will be paid the Contractor within thirty (30) days after final acceptance provided the Contractor has furnished Bluebonnet Electric satisfactory evidence that all sum of money due for any labor, materials, apparatus, fixtures, or machinery furnished for and used in the prosecution of the work, or that the person or persons to whom the same may respectively be due have consented to such final payment.

### **Safety Data Sheets**

SDS's must be provided prior to or with receipt of order, and when revised. Containers must be properly labeled and identified in accordance with the OSHA Hazard Communication Standard. Improperly labeled containers will result in refusal of the shipment and possible change in vendors.

### **Addenda**

In the event of a needed change in the published bid documents, it is understood that all the foregoing terms and conditions and all performance requirements will apply to any published addendum.

All published addenda shall be signed and included with the response package as acknowledgement of the addendum. Bidders are responsible for obtaining all published addenda from Bluebonnet Electric Cooperative. Bluebonnet Electric Cooperative assumes no responsibility for the Bidders failure to obtain or properly submit any addendum. Failure to acknowledge and submit any addendum may be cause for the bid to be rejected. Bluebonnet Electric's decision to accept or reject any particular bid due to a failure to acknowledge and submit addenda shall be final.

### **Examination of Site**

Bidders are required, prior to submitting any proposal, to read the specifications carefully, to visit the site of the work, to examine carefully local conditions, to inform themselves by their independent research, test and investigations of the difficulties to be encountered and judge for themselves of the accessibility of the work and all attending circumstances affecting the cost of doing the work or time required for its completion and obtain all information required to make an intelligent proposal. No information given by Bluebonnet Electric other than that contained in the specifications shall be binding upon Bluebonnet Electric. Bidders shall rely exclusively upon their own estimates, investigations, tests and other data which are necessary for full and complete information upon which the proposal may be based. It is mutually agreed that submission of a proposal is evidence that the bidder has made the examination, investigations and test required herein.

Bluebonnet Electric Cooperative

**Certification of Bid**

Re: **Bluebonnet T-2 Upgrade**

I, the undersigned, hereby certify and represent that I am duly authorized to submit this bid on behalf of the firm identified herein and that this firm hereby agrees to be bound by and is willing, capable and does qualify to comply with all the provisions specified herein for completion of the services requested at the terms and conditions as quoted.
